Message from the chairman

Mamdouh Abbas
Chairman of ECDC

- Chairman of AdvanSys Group
- Chairman of Intro Group
- Chairman of MECON Group

Message

Commitment to operational excellence, safety and client satisfaction shape our culture and help us pursue our vision to be among the most successful and responsible companies in the world.

ECDC is devoted to achieve exceptional HSE performance and the best value with maximum efficiency.

On behalf of ECDC, I would like to express my gratitude to our business allies and clients who believed and contributed to us. I would also like to assure that ECDC will operate under the principle of corporate governance and responsibility for all clients.

Who we are ?

ECDC is one of the leading onshore Drilling Contractors in Egypt with its fleet of Eight land rigs had successfully drilled the most challenging wells in the Region.

A Joint Venture Between

CNPC

is China's largest oil and gas producer and supplier, as well as one of the world's major oilfield service providers and a globally reputed contractor in engineering construction.

ADES

ADES Group is a leading oil & gas drilling and production services provider in the Middle East and Africa, offering offshore and onshore contract drilling workover and offshore production services. Since its establishment in 2002, ADES has grown to become Egypt's largest offshore drilling operator by number of rigs, with a growing presence in the Kingdom of Saudi Arabia and Algeria and ongoing penetration into new MENA markets.

ECDC Vision

Our vision is to be a leading distinguished drilling service provider in the Egyptian Petroleum Field.

Mission

Shaping the future of drilling, we intend to excel in the following areas:-

- Exceeding client expectations through the deployment of a highly skilled workforce and an expanded range of premium equipment and drilling management services .
- Maintaining the highest standard of personal and business ethics.
- Providing an injury-free workplace Protecting the environment where we operate.
- Providing long-term shareholder value through operational excellence and financial discipline.
